**TO APPLY:** Complete and submit the [MNo5 CPF Request Form](#) <sup>PDF</sup>. Your FY24 CPF Request will be complete when you submit the form. If all eligibility criteria are met by your project proposal, your project will be considered for a FY24 CPF award through Rep. Omar's office.

### COMMUNITY PROJECT FUNDING REQUEST GUIDELINES

Community Project Funding (CPF) allows Congress to fund projects that will make a real difference in the lives of our constituents. CPFs are also an opportunity to provide funding to smaller entities who have limited opportunities for receiving federal grants otherwise. For the Fiscal Year 2024 Appropriations cycle, each Member of Congress can submit 15 CPF requests. Below are guidelines for how to submit a request for your project to be included in my office's submissions.

Before submitting your project request, you must meet the following requirements:

- You must be a not-for-profit entity, or state/local/tribal government
- Your project must be located in Minnesota's Fifth Congressional District (Double check [here](#).)
- Your project must have demonstrated community support

For a full list of eligibility requirements and restrictions, including the types of projects that will be prioritized by Rep. Omar this cycle, see the Appropriations Committee's FY24 General Guidance at [this link](#).
